

**Heavenly
Sweet**
medibles

Eat your medicine.

Cannabis has been found to suppress cancer, reduce blood pressure, alleviate pain, treat glaucoma, and inhibit HIV. It is an antioxidant, antiviral, anti-inflammatory, vascular stimulator, and a neuroprotector.

- *Medibles provide long-lasting effects (6-10 hours).
- *Medibles are a discrete way to medicate.
- *Medibles work in the body and are best for pain, Migraines, anxiety, high blood pressure, sleeplessness, nausea, appetite stimulant, depression, Alzheimer's Disease, Multiple Sclerosis, arthritis, Hepatitis C, and much more...
- *Heavenly Sweet Medibles are lab tested for consistency, clarity, and strength.
- *Heavenly Sweet Medibles are prepared in a state-certified commercial kitchen by an all ServSafe Food Handling certified staff.
- *Heavenly Sweet offers a varied menu with traditional, sweet, savory, sugar-free, gluten-free and vegan options.
- *Heavenly Sweet Medibles can be found in finer dispensaries throughout California.
